

Dear Captains, Dear Brokers,

The city of Nice will host the United Nations Ocean Conference Congress from 02-04<sup>th</sup> June 2025.

This major international event requires specific arrangements and security measures which have been communicated to us by the Port of Nice.

We are sharing this information with you pending official communication from the Metropole Nice Côte d'Azur, as it would be useful for you to know in advance **the impacts to be expected on yachting during this time.**

Location	Dates	Berthing Details	Other Information
<b>DRY DOCK CLOSURE</b>	11 April-20 June		If your vessel is on land, either launch it back into the water or evacuate it before the closure date.
<b>FUELING STATION CLOSURE</b>	11 April-20 June		Fill your fuel tanks before this date.
<b>PORT DEPARTURE RESTRICTION</b>	03-14 June		You cannot leave the port unless you do not intend to return before June 14. Access will be limited.
<b>MINE CLEARANCE OPERATION</b>	Early June (exact dates TBC)		Your presence on board or that of a trusted person is mandatory. If not, the boat must leave the port.
<b>QUAI PAPACINO</b>	18 April-01 June 14-22 June	Berthing authorized, but access to the vessel is by foot only.	No access by car, truck, no crane operations, deliveries, bunkering & pumping of grey/black/bilge waters.
	01-14 June	Berthing forbidden	Please take appropriate action to free the berth during this period.
<b>QUAI DE LA DOUANE</b>	11 April-01 June 14-22 June	Berthing authorized, but access to the vessel is by foot only.	No access by car, truck, no crane operations, deliveries, bunkering & pumping of grey/black/bilge waters.
	01-14 June	Berthing forbidden	Please take appropriate action to free the berth during this period.
<b>QUAI NAPOLEON 1er (Formerly CASSINI)</b>	01-14 June	Forbidden for the yacht to leave the port during this period (unless you don't return until the 14th of June)	Access to the port & dock will be extremely difficult and regulated. Avoid visiting the vessel during this period, except for the clearance outlined below. Clearance will take place in early June (exact date to be confirmed). You'll need to be on board for inspection.
<b>QUAI ENTRECASTEUX</b>	02-14 June	Berthing forbidden	Please take appropriate action to free the berth during this period.
